

~~The College prioritises literacy and numeracy support with well-developed literacy and numeracy programs as a basic foundation. The College is proud of our strong academic pathway for students seeking University entrance and is equally proud of our Vocational and Workplace pathway designed to meet the needs of those students seeking entry to TAFEWA or apprenticeships. The School Improvement Focus Team (SIFT) oversees the College School Improvement Plan (SIP) and ensures action is taken to improve~~

## 2. TEACHER STANDARDS AND QUALIFICATIONS

All staff at John Paul College are suitably qualified for their role at the College and have TRBWA Registration or Police Clearances and Working with Children Cards. Mandatory Reporting of Sexual Abuse Training is done annually by each staff.

The teaching staff in 2022 numbered 56. Of these staff, 1 was a Teach for Australia trainee teacher, 2 held Limited Authority to Teach, 42 were 4 year trained and 8 held higher degrees (Masters, PhD).

## 3. WORKFORCE COMPOSITION

The total number of staff at John Paul College including teaching and non-teaching staff was 80. Of these 56 were teaching staff and 24 non-teaching.
